

The Amador County Recreation Agency (ACRA) is proud to bring swimming lessons to Plymouth. ACRA will provide Certified Red Cross Swim Instructors and lifeguards to give up-to-date swimming lesson techniques and teach safe recreational swimming.

LAP SWIM—Lap swim is provided for the enjoyment and fitness of swimmers. Pool space is limited and must be shared with others. Please respect the space of other swimmers by sharing the lanes and swimming area.

CLOSURE POLICY— The Amador County Health Codes dictates that the pool will be closed due to fecal contamination. Please respect our need to comply with this rule which our staff must enforce.
